DEAR SIRs

It gives AZAREL great pleasure to confirm that we have closed out the generous donation made by yourselves.

We must put forward our most sincere thanks for the contribution made by Systems Automation and Management (Pty) Ltd. The quality of life of many children has been uplifted through your kindness.

From the contribution of R 25 000 – 00 received in February 2013, funds were disbursed as follows:

Marang House (Northcliff):	R 4 950 – 91	21 February 2013

Siqobile Day Care Centre (Soweto):	R 15 820 – 56	06 March 2013

For your BBBEE submissions, please be aware that these three institutions cater for children who are all of the black racial grouping (100% black).

Once again, thank you sincerely for your contribution – our activities can only be successful through this type of assistance.

Sincerely,  
on behalf of Azarel,
